ST. ANTOINE DIVISION.

Mackay, Robert

ST. ANTOINE DIVISION.

COMPLIMENTS OF ROBERT MACKAY.

LIBERAL CANDIDATE

FEDERAL ELECTIONS, 1896.

MONTREAL, 4th June, 1896.

GENTLEMEN :

It would be my wish to call upon you personally in this election, but unfortunately the Division is so large, that is not possible. I cannot hope to know you all in the short time now at my disposal. I therefore, take this means of addressing you, because I wish you to have confidence in my willingness and ability to serve you should you favor me with your vote. It has been charged against me that if elected, the commercial interests of the city would be jeopardized. This is false, and those who know me, know also that such could not be the case. My own interests in the industries of the country are a guarantee to merchant, workingman and citizen alike, that all the energy and ability I possess will be given towards the improvement of trade by wise legislation and a more equal distribution of the burdens which we all have to carry, so that the rich man will assume his just share, thus relieving the workingman of a great measure of oppression which he now has to bear. I have unbounded faith in the honor and tried integrity of the Honorable Wilfrid Laurier and Sir Oliver Mowat, and feel convinced that under the leadership of two such statesmen, the interests of all classes will be safeguarded.

Your obedient servant,

ROBERT MACKAY.
